

MOTIF LABELS

So what's new in Motifs...?
Just about everything!

"New Improved" Clear Application Tape

Believed to be a product first, Guru Labels Motifs are applied by application tape that has been re-invented using a clear 'see through' material. Lining up your motif placement has never been so quick and easy, first time, every time.

New Improved Adhesives

Guru Labels Motifs have been engineered to stand the test of time. We have done our homework incorporating superior adhesives that is sure to stick around and outlast the competition.

New Presentation 10 Metre Rolls

Available in easy to use 10 metre rolls, that's right ROLLS! Finally the industry is getting what they have always wanted. Rolls are a more convenient way of stocking up on those popular motifs for those larger jobs. They also offer the flexibility of having a motif length to fit every application.

Lincoln Group

Guru Labels Motifs are made exclusively for the Lincoln Sentry Group and orders can be placed via any one of their 38+ branches Australia wide.

Simply visit www.lincolnsentry.com.au to find a branch near you.

Best Prices

Nobody can match our exceptional price whilst delivering such quality. Guru Labels Motifs offer the very best value for money whilst delivering a premium product.

Australian Made

Did you know we manufacture all components right here in Australia? We combine premium raw materials and cutting edge machinery to manufacture the finest product. Buying 'Australian Made' never felt so good. Applying Guru Labels Motifs is a cinch. For helpful tips on applying Guru Labels Motifs, simply check out our video footage and you'll be applying like a professional in no time at all.

- Our in house art department is ready to assist with conceptual designs that are sure to create a look or theme that is sure to display that wow factor.

Available exclusively through

www.lincolnsentry.com.au

* Video footage of 'How to Apply' can be viewed on our website at www.gurulabels.com.au/motiflabels.php

HOW TO APPLY

1. Spray glass cleaner onto surface where Motif is to be applied
2. Using a clean paper towel wipe down the surface until it is squeaky clean. Discard towel after use

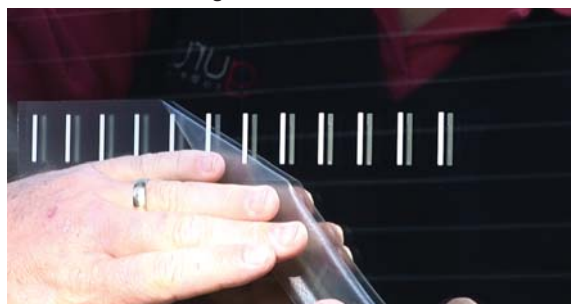

3. Cut strip to length

4. Remove application tape along with the decals to be applied
5. Rub firmly over each decal to ensure good adhesion to the clear application tape before removal

6. Align the motif strip on glass surface ensuring adhesion to the glass

7. Carefully remove application tape in a downward motion making sure that each decal is applied in tact. Should the decal start to come off with the application tape, re-apply the application tape and rub the back of the decal ensuring it adheres to the glass. Repeat this process for all decals.
